## **“Revaluation Program Services – Assessor’s Office”**

### **BID #03-15-16-06**

The City of Danbury, Connecticut is undertaking a program to revalue all Real Property, effective October 1, 2017. Contractors interested in providing the Revaluation Services set forth in the attached Specifications are invited to deliver 3 (three) copies of the proposals to the Office of the Purchasing Agent, City Hall, 155 Deer Hill Avenue, Danbury 06810, during normal business hours by no later than 2:00 PM on Thursday, May 12, 2016.

Envelopes should be marked: Bid #03-15-16-06 “Proposals – “Revaluation Program Services – Assessor’s Office”

All information pertaining to the Contractor's technical and management approach to completing this project, as well as the proposed cost, timetable and staffing plan, shall be presented in the proposal. The proposal must address, at a minimum, each of the issues set forth in the Request for Proposals as well as any addendums in order to be considered responsive. Any proposal that does not respond to each issue in the Request for Proposals may be rejected by the City as non-responsive.

The Assessor reserves the right to amend this proposal for the Revaluation Program for assessments at any time prior to the deadline for submission of proposals.

The Assessor reserves the right to amend this proposal for the Revaluation Program for equitable assessments at any time prior to the deadline for submission of proposals and to reject any or all proposals received if they determine it to be in the best interests of the City. The City is licensed to utilize the *Appraisal Vision*® CAMA Software of Vision Government Solutions of Northboro, Massachusetts. The city is not looking to change the existing CAMA software at this time. All data entry will be the responsibility of the Contractor.

In addition to addressing each of the items in the specifications, the Contractor must submit, as part of its proposal, the following information:

1. A Letter of Transmittal signed by the individual authorized to negotiate in good faith for the Contractor stating that the offer is effective for at least sixty (60) Calendar Days from the deadline for the submission of proposals.
2. A list of Connecticut Municipalities for which the Contractor has completed Revaluation Programs for last five years, and contacts.
3. A list of Connecticut Revaluation Contracts for which the Contractor is currently committed with time table for completion.
4. The City utilizes the *Appraisal Vision*® CAMA Software system in house. Therefore, each Contractor must show evidence of familiarity with the system by submitting a list of projects previously worked on that required the use of the *Appraisal Vision*® CAMA system.

5. Description and examples of the Contractor's revaluation public relations program.
6. Copy of Contractor's current Connecticut Revaluation Certificate issued pursuant to Connecticut General Statutes 12-2c.
7. A bid bond or certified check in the amount of 5% of this bid must be submitted by the bidder with his bid as a guarantee that, in case the contract is awarded to him, he will, within ten days after appropriation of funds and notice of award, execute such contract and furnish a satisfactory Performance Bond and Payment Bond, for approval by the City of Danbury.
8. Proposed revaluation contract for services.

Proposals will be evaluated using comparative criteria set forth as follows:

## **Penalties**

- 3.3.3.a** Failure by CONTRACTOR to complete all work prior to the date specified herein, December 22, 2017, shall be cause for a penalty payment by CONTRACTOR, on request of the ASSESSOR, in the amount of TWO HUNDRED DOLLARS (\$200.00) per day beyond the specified date of completion. For the purposes of this penalty only, completion of all work no later than December 22, 2017 is defined as follows:
- 3.3.3.b** Completed property record cards with all pricing, review and final valuations.
- 3.3.3.b.i** Final Assessment notices addressed and in envelopes prepared for mailing.
- 3.3.3.c** Penalties due under this clause shall be deducted from the contract price and will represent a fair and equitable estimate of the damages the CITY will suffer if CONTRACTOR'S work is not completed by December 22, 2017. The CITY shall have the right to use the funds withheld from each periodic payment to these CONTRACT SPECIFICATIONS to satisfy in whole or in part, this penalty clause. Delays occasioned by strike, explosion or acts of God or an order of court or other public authority are excepted.
- 3.3.3.d** **Bankruptcy, Receivership, Insolvency:** If CONTRACTOR, with the result that it does not pay its debts as they become due, or if a receiver shall be appointed for its business or its assets and not voided within 60 days, or if interest herein shall be sold under execution or if it shall be adjudicated insolvent or bankrupt, then and forthwith thereafter, the CITY shall have the right, at its option and without prejudice to its rights hereunder, to terminate the contract.
- 3.3.3.e** **Termination:** If either party fails to fulfill in a timely and satisfactory manner their obligations under this agreement, or shall violate any of the covenants, conditions or stipulations of this agreement, which failure or violation shall continue for 30 days after written notice of said failure or violation is received by the offending party, unless the correction of such failure inherently requires a longer period of time and provided further that the applicable party is proceeding diligently to correct the failure, then the opposing party shall thereupon have the right to terminate this agreement by giving written notice to the offending party of such termination and specify the effective date thereof, at least seven (7) days before the effective date of such termination.
- 3.3.3.f** In the event of termination, all finished work and documentation, complete and incomplete, shall, at the option of the ASSESSOR, be delivered to them. CONTRACTOR shall be entitled to the release of the performance bond and to receive just and equitable compensation for any work performed under this agreement completed prior to the date of termination.
- 3.3.3.g** Notwithstanding the above, in the event of termination, neither party shall be relieved of liability by virtue of its breach of this agreement.
- 3.3.3.h** **Hold Harmless Agreement:** CONTRACTOR shall, at all times, defend, indemnify, protect and save harmless, the CITY and its officers, agents and

employees from any and all claims or demands for damage for bodily injury, including death or property damages sustained by any party, including officers, agents and employees of CONTRACTOR. Said hold harmless clause shall include, but not limited to investigation, defense and settlement or payment or judgment of any liabilities.

**3.3.3.i Severability:** In the event any part of any clause or provision of this contract or contract specifications is judicially determined to be unenforceable, it shall be deemed severable from the remainder of that clause or provision and such remainder shall be binding upon the parties to this contract.

**3.3.3.j Waiver:** No action or failure to act by the CITY shall constitute a waiver of any right or duty afforded it under the contract or contract specifications.

**3.3.3.k Misrepresentation or Default:** The CITY may void this agreement if CONTRACTOR has misrepresented any offering or defaults on any contract with a Connecticut municipality. CONTRACTOR shall, also, immediately notify the CITY of any claim or case formally brought against CONTRACTOR.

### **3.4 CHANGES AND SUBLETTING OF CONTRACT**

#### **3.4.1 Changes**

Changes in these specifications or to the contract will be permitted only upon written mutual agreement of CONTRACTOR and the CITY.

#### **3.4.2 Subletting**

CONTRACTOR shall not assign, transfer or sublet the contract or any interest or part therein, without first receiving written approval from the CITY. It should be mutually agreed and understood that said consent by the CITY shall in no way release CONTRACTOR from any responsibility or liability as covered in these specifications and contract.

### **3.5 COMPLETION DATE AND TIME SCHEDULE**

**Signing of Contract:** Within 30 days after receipt of notice of acceptance by the CITY of its bid, as possibly revised by negotiations, CONTRACTOR shall execute with the CITY a contract in the form agreeable to the CITY and incorporating these contract specifications.

Contractor shall commence the revaluation work not later than two weeks after contract signing, and shall continue uninterruptedly in a diligent fashion so as to ensure completion within the schedule of completion dates hereinafter set forth below:

#### **3.5.1 Project Schedule**

The following phases of the PROJECT must be completed in accordance with the following schedule. Failure to substantially complete the stated performance by the stated dates shall constitute a material breach of this Contract:

The completed appraisals, upon approval of the ASSESSOR, will serve as the basis for assessments effective on the Grand List of October 1, 2017.

### **3.5.3 Delays:**

CONTRACTOR shall not be liable for delays caused by reasons of war, strike, explosion, acts of God, order of court or other public authority.

### **3.6 PAYMENT SCHEDULE**

#### **Periodic Payments**

Payments shall be made in the following manner:

Thirty (30) days after the execution date of this contract, and at the end of each thirty (30) day period thereafter for the term of this contract, CONTRACTOR will certify in writing to the ASSESSOR the percentage of the total work completed under the contract which CONTRACTOR has performed during the said thirty (30) day period. Such notification will itemize and accurately indicate the extent and nature of work performed by volume, street, and category or in any manner as required by the ASSESSOR. The itemization shall be categorized by each of the "Stages of Completion" listed on the Payment Schedule as shown below.

The CITY , upon determination by the ASSESSOR that the certification of CONTRACTOR concerning work during said period is accurate, will pay to CONTRACTOR a percentage of the total compensation due under the contract equal to the percentage of work certified as having been completed during said period, less ten percent (10%), which is to be retained by the CITY for payment to CONTRACTOR at such time that he or she has performed fully and satisfactorily all its obligations, requirements, and litigation under the contract. The retained ten (10%) percent of the contract price is to be paid upon the completion of work of the Board of Assessment Appeals on the October 1, 2017 Grand List in accordance with provisions of Section 3.3.3b of this contract

This contract makes provisions for a reduction of the performance bond to 10% of the contract price so as to ensure the defense of any appeals resulting from the revaluation work.

#### **Fiscal Year Limitations:**

The contract cost shall be paid in the 2016/2017/2018 CITY Fiscal Years according to the provisions of this section and subject to the appropriation of necessary funds by the CITY's fiscal authority. CONTRACTOR shall incur no cost in any fiscal year in excess of that year's annual appropriation plus the balance of prior years' unexpended appropriations.

## **4 RESPONSIBILITIES OF CONTRACTOR**

### **4.1 GOOD FAITH**

CONTRACTOR shall, in good faith use, its best efforts to assist the ASSESSOR in determining the present true and actual valuations of all real property situated in the CITY, and shall not undervalue or overvalue any land, building or other property to avoid or minimize its responsibilities specified herein.

### **4.2 PUBLIC RELATIONS**

The parties of this revaluation project recognize that a good public relations program is required in order that the public of the CITY may be informed as to the purpose, benefits and procedures of the revaluation program.

CONTRACTOR shall provide reasonable assistance to the ASSESSOR in conducting a program of public information through the press and other media, such as meeting with citizens, service clubs and property owner groups as a means of establishing understanding and support for the revaluation program and sound assessment administration. CONTRACTOR shall supply visual aids and other media at its disposal to this end. All public releases shall be approved by the ASSESSOR prior to release.

#### **4.3 CONDUCT OF COMPANY EMPLOYEES**

As a condition of this contract, CONTRACTOR'S employees shall, at all times, treat the residents, employees and taxpayers of the CITY with respect and courtesy; CONTRACTOR shall take appropriate and meaningful disciplinary measures against those who violate the terms of this provision. A suitable dress code for all employees will also be implemented.

#### **4.4 RECORDS**

##### **4.4.1 General Provisions**

CONTRACTOR shall provide all record cards, street cards, owner cards, supplies, equipment, forms, literature, notices and papers to be used in this project at no additional cost to the CITY.

##### **4.4.2 Records are CITY Property**

The original or a copy of all records and computations, including machine readable databases, made by CONTRACTOR in connection with any appraisal of property in the CITY shall, at all times, be the property of the CITY and, upon completion of the project or termination of this contract by the CITY, shall be left in good order in the custody of the ASSESSOR. Such records and computations shall include, but not be limited to:

- 4.4.2.a** Assessor's Maps;
- 4.4.2.b** Land Value Maps;
- 4.4.2.c** Materials and Wages, Cost Investigations and Schedules;
- 4.4.2.d** Data Collection Forms, Listing Cards, Property Record Cards with property valuations and sketches;
- 4.4.2.e** Capitalization Rate Data;
- 4.4.2.f** Sales Data;
- 4.4.2.g** Depreciation Tables;
- 4.4.2.h** Computations of land and/or building values;
- 4.4.2.i** All letters of memoranda to individuals or groups explaining methods used for appraisals;
- 4.4.2.j** Operating statement of income properties;
- 4.4.2.k** Duplicated notice of valuation changes;
- 4.4.2.l** Database of all property records, CAMA system, and integration with administrative system.
- 4.4.2.m** In addition, throughout the conduct of said revaluation, any criteria, guidelines, price schedules or statement of procedures used in such revaluation by the Contractor shall be available by contractor for public inspection in the Assessor's office and shall be available thereafter, all in accordance with Section 12-62 (c) of the Connecticut General Statutes.

#### **4.4.3 ASSESSOR'S Records**

CONTRACTOR shall use a system approved by the ASSESSOR for the accurate accounting of all records and maps, which may be taken from the ASSESSOR'S office in conjunction with this project. All such records and maps shall be returned immediately following their use. None of the ASSESSOR'S records shall be taken outside the corporate limits of the CITY without prior written permission of the ASSESSOR.

The ASSESSOR will permit CONTRACTOR to copy all residential building sketches from existing field cards, together with the outside dimensions of all auxiliary buildings such as garages, barns, sheds, and swimming pools. CONTRACTOR will be permitted to copy and sketch all commercial and industrial properties, which are presently outlined on existing ASSESSOR's field cards.

#### **4.4.4 Property Record Cards (Street Cards)**

CONTRACTOR shall complete and file by Map order, Property Record Cards, commonly referred to as "Street Cards" or "Field Cards". These cards shall contain all manner of information affecting value, including but not limited to, information as to location of property, classification as to usage, owner of record, source of title, size, shape and physical characteristics of land, with the breakdown of front feet, square feet or acreage as applicable, along with the unit of value applicable to each, public utilities available, public improvements, census tract number, zoning regulations in effect as of the assessment date. All physical improvements shall be listed giving all interior and exterior construction details, quality of construction, age, condition, replacement values, percent of physical, functional and economic depreciation, depreciated values, fair market value and 70% assessment value will be shown. A computer-generated sketch of all buildings, with the appropriate scale of such sketch, shall also be shown on these cards.

#### **4.5 ASSESSMENT NOTICES**

At the close of the PROJECT, a notice shall be sent, at CONTRACTOR'S expense by first class mail, to each property owner of record, setting forth the valuation that has been placed upon the property identified in the notice, prepared on a form approved by the ASSESSOR. CONTRACTOR will provide the needed information for the notice. Also enclosed with such notice shall be information specifying the dates, times and places of the informal public hearings and information describing the property owner's right to appeal the valuation of his property, including the manner in which an appeal may be filed with the Board of Assessment Appeals. Such notices shall be subject to approval by the ASSESSOR in accordance with Connecticut General Statutes.

At that same time, the company should be prepared to make data available via the Web so that taxpayers can log in and review properties on-line.

#### **4.6 INFORMAL PUBLIC HEARINGS**

At a time mutually agreeable to the ASSESSOR and CONTRACTOR and following completion of all review work by the ASSESSOR and CONTRACTOR, CONTRACTOR shall hold public hearings so that owners of property or their legal representative may appear at specified times to discuss, with qualified members of CONTRACTOR'S staff, the valuations of their property. CONTRACTOR'S personnel shall explain the manner and methods of arriving at value. Informal public hearings, at the ASSESSOR's discretion, may be held on weeknights and Saturdays.

CONTRACTOR, in conjunction with recommendations of the ASSESSOR, shall schedule a sufficient number of hearings and provide sufficient personnel to handle said hearings expeditiously and fairly. Any information offered by the taxpayer or their legal representative shall be given consideration, and an adjustment shall be made where warranted. The public hearings shall be completed by December 22, 2017.

CONTRACTOR shall keep a record, on a form approved by the ASSESSOR, of all owners that requested a hearing and the result of that hearing. A copy of those records shall be given to the ASSESSOR.

CONTRACTOR shall be responsible for sending notice, by First Class mail at CONTRACTOR'S expense, to each taxpayer or his or her legal representative who appears at these hearings seeking review of valuation. Such notice shall include the original valuation determined by CONTRACTOR and any adjusted valuation as deemed appropriate based on any information received at such hearing, or a statement that no change is warranted. Such notice shall be subject to approval by the ASSESSOR and shall contain information describing the property owner's rights to appeal the valuation, including the manner in which an appeal may be filed with the Board of Assessment Appeals.

#### **4.7 BOARD OF ASSESSMENT APPEALS**

CONTRACTOR shall have a qualified member or members, approved by the ASSESSOR, of its staff, available for attendance at any deliberations of the Board of Assessment Appeals held after

the completion of the revaluation, Sundays excluded, but such availability and attendance shall not be required after the date for the completion of the duties of the Board of Assessment Appeals on the October 1, 2017 Grand List or for one complete calendar year beyond completion of the revaluation, whichever comes first, to assist in the settlement of complaints and to explain the valuations made.

#### **4.8 LITIGATION**

In the event of appeal to the courts, CONTRACTOR shall furnish a competent witness or witnesses, approved by the ASSESSOR, to defend the valuation of the properties appraised. It is understood that CONTRACTOR shall furnish said witness or witnesses on any court action instituted on the October 1, 2017 Grand List assessments, CONTRACTOR shall be compensated at a per Diem rate of \$\_\_\_\_\_. CONTRACTOR shall provide supporting data, including written appraisal if deemed necessary by the ASSESSOR, for any said court appeals. CONTRACTOR shall also comply with any request by the CITY to answer any interrogatories, provide witnesses for depositions or to otherwise participate in the discovery process pertaining to any litigation described herein. CONTRACTOR shall not be held responsible for any assessment changed from the original valuation figure by parties other than CONTRACTOR.

Pricing should be separately listed to reflect the representation of **up to 250 hours of post appeal litigation or claims brought** otherwise set forth in this section that may be involved in the representation and defense of the vendor's work.

#### **4.9 INFORMATION**

##### **4.9.1 Information to CITY**

CONTRACTOR shall give to the ASSESSOR any and all information requested pertaining to the project for a period of one (1) year after completion of the duties of the Board of Assessment Appeals on the October 1, 2017 Grand List, without any additional cost to the CITY.

### **5 BUILDING COST SCHEDULES**

#### **5.1 General**

CONTRACTOR shall prepare for usage in the project as hereinafter specified, building cost schedules. These schedules will reflect the unit-in-place method based upon the square foot or cubic foot area of buildings as applicable. These schedules shall be used in computing the replacement cost in the CITY for all residential, commercial, industrial, and farm construction. They shall reflect the wage scale for the various trades, labor efficiencies, overhead, profit, engineer and architect fees and all other direct and indirect costs of construction. Before final acceptance, they shall be proven by testing against known sales. All finalized schedules shall be approved by the ASSESSOR before adoption and usage by CONTRACTOR.

#### **5.2 Types of Cost Schedules**

##### **5.2.1 Residential**

Residential cost schedules shall include schedules for various classifications, types, models, and story heights on a per square foot basis, normally associated with residential buildings. The schedule shall be flexible with special sections reflecting the various additions and deductions for construction components from the base specifications, along with prices for different types of heating systems, bathrooms, porches, breezeways, attached, detached, and basement garages, and finished basements and schedules for other building improvements usually found on residential property including, but not limited to, in-ground swimming pools, barns, sheds, tennis courts, gazebos, and hot tubs.

#### **5.2.2 Commercial**

Commercial building cost schedules shall be prepared in unit costs of material in place and charted on a per square foot basis, and shall be prepared for various story heights and contain all the additions and deductions for construction components from base specifications.

#### **5.2.3 Industrial and Special Structures**

Cost schedules for industrial and special purpose structures shall be prepared in unit costs of material in place and charted on a per square foot basis, and shall contain all the additions and deductions for construction components from base specifications.

#### **5.2.4 Farm**

Cost schedules for farm structures shall be prepared for square foot and cubic foot costs for various types of farm buildings including, but not limited to, barns, sheds, silos, milk houses, coops, etc.

Cost schedules for the afore-mentioned must be supported by a recognized valuation publication company such as Marshall and Swift, Means, etc.

### **5.3 Depreciation Schedules**

Depreciation schedules or methods to be used in determining the amount of depreciation shall reflect the normal and accepted depreciation rates of buildings according to classification. These schedules or methods shall cover residential, commercial, industrial, and farm buildings and shall be approved by the ASSESSOR.

### **5.4 Schedule for CITY**

CONTRACTOR shall supply and leave for the CITY not less than three (3) copies of all the above required building cost schedules and depreciation schedules for the CITY'S usage, one copy of which shall be turned over to the ASSESSOR upon approval of the schedules.

## **6 APPRAISAL SPECIFICATIONS**

### **6.1 Appraisal of Land**

CONTRACTOR shall appraise all land within the CITY: including residential, vacant, commercial, industrial, agricultural, special use, public utility, and tax-exempt.

#### **6.1.1 Land Value Study**

Land shall be valued on the basis of an analysis of all sales data occurring during the two-year period prior to October 1, 2017. The analysis and application of sales data shall be governed by procedures and techniques expressly approved by the ASSESSOR. CONTRACTOR shall make a careful investigation of this data and shall consult owners, realtors, banks and other sources for information relative to sales of properties within the CITY. All factors affecting the final values of land shall be considered, such as location, zoning, inland wetlands, topography, soil condition, utilities, size, vacancy, form of ownership, non-conforming uses, and zoning variances.

Non-conforming uses and zoning variances shall be considered in establishing values. A brief description of each lot or parcel of land, together with the valuation computations, shall be entered on the field record card.

#### **6.1.2 Land Value Inspection**

CONTRACTOR will make necessary adjustments in value to compensate for topographical irregularities such as high banks, steep slopes, swamps, irregular shapes or anything else which may detract from the usefulness of the land. Non-conforming uses and zoning variances shall be considered in establishing values.

#### **6.1.3 Land Value Unit**

CONTRACTOR shall prepare land unit values by front foot, square foot, acreage or fractional acreage; whichever in the judgment of CONTRACTOR and ASSESSOR most accurately reflects the market for the appraised land.

For each neighborhood where there is an insufficient amount of vacant land sales, the CONTRACTOR will develop and utilize building residuals to support land appraised values.

#### **6.1.4 Land Value Map**

CONTRACTOR shall delineate the land value units on all streets and acreage in the CITY on a suitable map to be provided by the CITY. The land value map shall be returned to the CITY prior to the completion of the PROJECT.

#### **6.1.5 Neighborhood Delineation**

After consideration of the environmental, economic and social characteristics of the CITY, CONTRACTOR shall, with the cooperation and approval of the ASSESSOR, delineate "neighborhood" units within the CITY. Each neighborhood unit will, in CONTRACTOR'S opinion, exhibit homogenous characteristics. Each neighborhood unit will be assigned a

separate identification code, which will be used for valuation. These neighborhood codes shall be recorded and maintained on all property record cards and the computer database.

## **6.2 APPRAISAL OF RESIDENTIAL BUILDINGS AND STRUCTURES**

### **6.2.1 Physical Inspections**

#### **Interior Inspections**

Contractor to perform onsite inspections on one year of sold properties that will be utilized in the analysis.

The data collector shall have each interior inspection dated and verified by having an adult owner or resident of each building or dwelling unit sign the data collection form.

When entrance to a building for an inspection is refused, the data collector shall make note of the fact and within two (2) working days, notify the ASSESSOR of the fact in writing, giving the facts as to the time of the visit and if possible, the name of the party refusing entrance and other pertinent information. The ASSESSOR shall review the situation, and if he/she shall be unable to gain the cooperation of the party involved, he/she shall so notify the CONTRACTOR, and they shall proceed to estimate the value of the building on the basis of facts ascertainable without entry and make adequate notations of the lack of cooperation, and the manner of arriving at value, conspicuously on the property record card.

The data collection form shall indicate the initials of the data collector and the date(s) of the inspection(s) and attempts, if multiple. The field card must also have the initials of the person whom completed the data entry as well.

All inspections shall be conducted in a courteous, dignified, respectful and careful manner so as to minimize any disturbance to the use and occupancy of such structures.

#### **Call Backs**

The CONTRACTOR shall make an initial inspection and one (1) call back attempt on sold properties that require an onsite inspection. The time and date at which the call back was made shall be duly noted on the data collection form by the data collector making such a call back.

If after the two visits, contact was not established with a property owner, a notification letter approved by the ASSESSOR, shall be mailed by the CONTRACTOR, informing the property owner of the revaluation process and the fact that the representatives of the CONTRACTOR were not able to make contact, and requesting that within a prescribed time limit the property owner contact the CONTRACTOR, by telephone or mail, for alternative arrangements for the inspection of the property.

### **6.2.2 Exterior Field Review**

6.2.2a All properties shall be reviewed in the field by CONTRACTOR's personnel qualified as reviewers as previously prescribed in these specifications.

The properties shall be reviewed for classification, final value, and to assure that they are correlated to comparable properties. The ASSESSOR shall be notified of the dates of review and be entitled to accompany the reviewers during this phase of the revaluation.

6.2.2b Field Recording: Physical data and characteristics of the land parcel shall be observed in the field and recorded.

### **6.2.3 Pricing and Valuations**

Pricing and valuations of all land and buildings must reflect the present true and actual value as of October 1, 2017, and shall be done from and in accordance with the previously approved manuals and schedules.

The final valuation shall be the true and actual value of the structures plus the true and actual value of the land. In arriving at the true and actual value of the structures, replacement cost new less depreciation from all causes may be considered along with other factors affecting the value of the property, all of which shall be noted on the property record card.

## **6.3 APPRAISAL OF COMMERCIAL, INDUSTRIAL, PUBLIC UTILITY, AND SPECIAL PURPOSE PROPERTIES**

### **6.3.1 General**

All commercial, industrial, public utility and special purpose buildings shall be classified, priced and reviewed in the same manner as residential properties, as set forth previously in these specifications.

### **6.3.2 Income Approach**

Income and expense data gathered by the CITY shall be utilized by CONTRACTOR for income producing and, where appropriate, owner-occupied properties. Any income and expense data with accompanying summary reports and rent schedules shall become property of the CITY. All information filed and furnished with Income and Expense report shall not be a public record and is not subject to the provisions of Section 1-200 et seq. (Freedom of Information) of the Connecticut General Statutes. From these returns and other data sources, such as field investigations and interviews, CONTRACTOR will establish market or economic rent and expenses for income producing properties. CONTRACTOR shall also develop capitalization rates by investigating sales and income data. Rates shall be established for the various classes of property and checked by bankers, investors and appraisers to ensure their accuracy. When the rates and methods have been approved by the ASSESSOR, CONTRACTOR shall perform the income approach using both actual and economic income and expenses. CONTRACTOR shall be responsible for entering all income data into the CAMA system.

The following Income Analysis reports shall be developed and provided by the CONTRACTOR:

**Actual Income Report** – This report shall display all the pertinent parcel data and individual lease information entered into the Vision system from the I & E forms that were used in the analysis to develop and establish market rent schedules. The report shall group all similar lease use types and provide the count, mean and median unit costs for each individual lease type grouping.

**Actual Vacancy Report-** This report shall display all the pertinent parcel data and individual lease information entered into the Vision system from the I & E forms that were used in the analysis to develop and establish market vacancy schedules. The report shall group all similar lease use types and provide the count, mean and median vacancy amounts for each individual lease type grouping.

**Actual Expense Report-** This report shall display all the pertinent parcel data and individual lease information entered into the Vision system from the I & E forms that were used in the analysis to develop and establish market expense ratio schedules. The report shall group all similar lease use types and provide the count, mean and median expense ratios for each individual lease type grouping.

**Extracted Cap Rate Report–** This report shall display all pertinent parcel data on individual properties that sold within a given time frame and also had applicable lease information that was entered into the Vision system. This report should calculate and display the applicable cap rate that was extracted from the sale and lease information.

**Economic Income Spreadsheet Report-** This report shall display all the pertinent parcel data and individual economic income approach data and adjustments that were used as a basis to develop a market income approach value for each property in the Vision system. This report shall group all similar property use types together.

**Income/Cost Comparison Report -** This report shall display all the pertinent parcel data including the cost value and income value for each individual property that was developed utilizing the market income approach to value. The report shall also calculate and display a ratio of difference between the two approaches.

**Income Land Residual** – This report shall display at a minimum all pertinent parcel data including the RCNLD for all buildings on each individual parcel, land value from the cost approach and all pertinent income value data for each parcel. The report shall automatically calculate and display the total income value minus the RCNLD for each property to display an indicated land value. The report shall also calculate a ratio difference between the cost land value and the indicated land value and provide means, medians and CODs for each individual property use type.

**Income Detail Review** – This report shall be a one-line detailed report displaying all pertinent parcel data and economic income approach data and all adjustments and codes that were used as a basis to develop a market income approach value for each property in the Vision system.

### **6.3.3 Review**

All final reviews and inspections shall be made in the same manner and for the same purpose as prescribed for residential properties. The reviewer shall be completely trained and fully experienced in the appraisal of the particular type and kind of commercial, industrial, public utility or special purpose building; the final value of which he or she is responsible.

## **6.4 CONTROL AND QUALITY CHECKS**

### **6.4.1 Field Checks**

The ASSESSOR shall spot check in the field, properties picked at random by him/her with or without the appropriate CONTRACTOR'S supervisor.

### **6.4.2 Building Permits**

The CONTRACTOR shall be responsible for the inspection of 12 months of building permits.

### **6.4.3 Sales Analysis**

Sales analyses of properties shall be performed as a means of sustaining the values derived. These analyses shall be done on the aggregate of all residential properties and on each of the neighborhoods previously delineated. The sales analyses shall include, at a minimum, sales ratios, price related differential and coefficients of variance and dispersion. Any additional requests for sales analyses by the ASSESSOR shall also be performed.

The following sales analysis stratification reports shall be provided by the CONTRACTOR.

- By Land Use**
- By Style**
- By Grade**
- By Year Built**
- By Neighborhood**
- By Building Size**
- By Lot Size**
- By Sales Date Groupings**
- By Price Quartiles**
- By Waterfront & Non Waterfront**
- By Condominium Complex**

#### **6.4.4 Comparable Sales Model**

The vendor will be responsible for developing a comparable sales model for all residential properties which will at a minimum include 3 comparable sales for each of the total amount of residential properties in the City. This model should reflect time adjusted sales prices if applicable and include adjusted sales prices reflecting the differences from the comparable properties to the subject property for attributes such as style, condition, grade, size, neighborhood, land size etc. to produce an overall adjusted value for each of the comparable properties.

#### **6.4.5 GIS Analysis**

The CONTRACTOR shall utilize the City's GIS module within the Vision software to produce and provide analysis and geospatial visual maps as part of the project. This will include but not be limited to, developing maps that display thematic mapping for sales ratio analysis, old to new value analysis, plotting of sales used in the valuation process and neighborhood delineation.

#### **6.4.6 General Reports**

The CONTRACTOR shall develop and provide the following reports as part of the project:

**Old to New Report** – displaying prior years' value to proposed new value for all properties and calculating and displaying the change by percentage amount.

**Residential/Commercial Detail Analysis Report** – displaying a property identification for each property in the database along with all the pertinent parcel attribute data, such as depreciation, quality grade, year built, eff year built, building size, lot size, land value, total value, sales information and assessment to sale ratio.

**Land Detail Analysis Report** – displaying a property identification for each property in the database along with each land line and the applicable land attribute data including use code, zone, units, unit type, condition adjustments, neighborhood and related adjustments and total land value.

**Condominium Detail Analysis Report** – displaying each condominium in the database along with the pertinent information on each condominium, including condition, quality grade, year built, living area, bedroom count, bathroom count, adjustment fields, price per sf, sale date, sale price & sale price per sf, assessment to sale ratio, prior value and proposed value.

#### **6.4.7 Performance Based Revaluation Standards:**

All fair market values that are developed by the CONTRACTOR must meet the Performance Based Testing Standards developed by the State of Connecticut Office of

Policy and Management in accordance with Section 12-62i of the Connecticut General Statutes.
